City to Launch Innovative New Resident Program: Belong in Burlington

BURLINGTON, NC— On January 25, 2017, from 6:00-8:00pm, the City of Burlington will welcome new residents to the Burlington Municipal Building for an innovative new program called “Belong in Burlington.” The vision driving Belong in Burlington is to help new residents form strong place attachment to, and ultimately fall in love with, their community.

To achieve its vision, the Belong in Burlington program will introduce new residents to the community through 8 kiosks designed to foster place attachment. Residents will be greeted at a registration table staffed by members of City Council. If residents have children, they may drop them off at the Kids Activity Center which will feature interactive play facilitated by Burlington Recreation & Parks Youth Programming staff. Free samples on which new residents may snack and sip will be provided by local businesses (Company Shops Market and The Blend and Co. at the 1/25 session) at the Shop Local kiosk. The additional 5 kiosks will be staff by the City as well as representatives from various other community organizations such as Healthy Alamance, the United Way, Alamance Community College, Alamance County, and May Memorial Library:
