

Got stray cats?

Here's the good news... we can help!

If you are experiencing a problem with stray/feral cats, Burlington Animal Services is available to assist you with resources and effective solutions to help reduce the overpopulation of cats in your area and deter nuisance issues.

- Free solar powered deterrents to help keep cats away from your yard
- Resources for other humane solutions to nuisance behaviors
- Very low cost spay/neuter/vaccination services for feral cats being returned to their location (\$10 for one cat or \$10 per pair of cats)
